Walk the Line

Bulgaria & Greece

From 26 June – 4 July

Walk the Line is a project which discovers what borders really mean for both the European youth and the migrants. As immigration became a huge phenomenon in our modern world, understanding and experiencing this concept became an important asset with it. This is why we chose Thracia, a migration path for centuries before and maybe for centuries to come.

During ten days, we will experience the same fear, hope and joy as an immigrant and we will be the vagabond wandering around the ancient city of Edirne, foggy mountains of Bulgaria and the obscure forests of Greece.

Application Deadline: 1 July 2019
